Dear Ms. Mabee

As you know I am the solicitor for the Town of Erin in this matter. Your letter addressed to both me and His Worship Mayor Alls dated April 8, 2021 has been forwarded to me for reply.

I can advise you that the proposed Erin Waste Water Treatment Plant is fully compliant with all applicable law and has received all environmental approvals necessary to allow it to be built. Accordingly, my client does not intend to answer the two further questions posed in your April 8, 2021 letter as it would serve no useful purpose.

Regards

Dear Ms. Mabee

I am the solicitor for the Corporation of the Town of Erin

Your emails of March 9, 2021 and February 18, 2021 addressed to His Worship Mayor Allan Alls have been forwarded to me for reply

All of the questions contained in your February 18, 2021 correspondence are, either in essence or in fact, the same questions and issues which were raised and answered during the Part 2 Order request made to the Minister of the Environment Conservation and Parks pursuant to the Environmental Assessment Act. As you know the Minister considered each of these issues and refused to grant the Order.

Since you participated in the Part 2 order request, my client sees very little useful purpose in answering the same questions again and therefore will not be responding to the detailed questions contained in your February 18, 2021 correspondence.

Regards
